Dedication

Mr. Edwin Payton, music director, has been teaching in our school for two years. He quickly received the friendship and respect of the student body. The students recognize his determination and appreciate his willingness to devote many extra hours in their behalf. His enthusiasm has caught on with the students and has been exhibited in many phases of student life. The music department has grown and functions as a successful organization. The students would like to take this opportunity to recognize Mr. Payton and to show their appreciation for all he has done.

Mr. Fowlston, Mrs. Bennett

Principal's Message

This June the one hundred twenty-seventh class to be graduated from D.L.I. will receive their diplomas. This is an enviable record for few high schools in our country can boast of such a long period of service to young people.

All who have been associated with our school, students and teachers alike, have contributed much to the fine record and traditions of D.L.I. It is my hope that all who cherish this excellent record do their utmost to carry on these traditions so that future students may also take pride in saying "I am a graduate of the Delaware Literary Institute and Franklin Central School."

Senior Band

The band has grown much this year. We have a marching band of one hundred and a concert band of seventy-two. The marching band has participated in nine parades. We have won five first places, two second places and one third. We went to the State Fair in Syracuse and were very proud to place fourth among the leading bands in the state. The concert band has played for the Junior Plays and at a joint concert with Downsville and one at Davenport. The Spring Concert is a yearly event.

The Brass Ensemble has played Christmas carols in school and in Oneonta.
